Accommodation suggestions.

There are a few 3 star motels around the Sandy Bay Area but my suggestion is the Wrest Point Casino. Bear in mind that the Casino is probably 70 years old it is clean, beautifully made up but it is showing its age. My thoughts entirely. There are 3 categories of accommodation to choose from: Min stay 3 nights for best price but of course you can negotiate. Actually my feeling is everything is up for negotiation when it comes to this accommodation option.

The Tower:

Room with River view approx \$216 per night.
Room with Mountain view approx \$273 per night

Water Edge Motel:

3 nights at \$180 per night. However, I did go on line and I did see tonight its \$150. Once again I think you can look at bookings.com and see if you can get a good price.

A number of bed configurations - King, Queen and King single
Some rooms have 3 beds. So lots of options.

There are a number of floors and the views are very good.
No lift but that would not be a problem as the staff will assist with bags.
If you cannot take the stairs, ask for ground floor

Motor Inn:

This is by far the best option price wise at \$138 per night, minimum 3 nights.
Once again up for negotiation. Queen beds and king singles.

They don't have water or mountain views but the rooms are perfectly acceptable.

A note of warning, the Shower is over the bath.

If you are a member of the Federal Group "Rewards Club" you can get up to 30% off accommodation.. You can join on arrival. Might be a bit of a run around but well worth it if you are interested.

You can have a good look on line to make your choice.
