SYMPHONY OF STORIES

The background of the page features three glass jars. The largest jar on the left contains a mix of colorful, translucent items like beads and small stones. The jar on the top right contains a small, colorful figurine of a person. The jar on the bottom right contains a small, colorful figurine of a person. The text is overlaid on these jars.

Story in a Jar Competition

**Think and ponder
Study and Look
Then take your guess....
What's that book?**

This year's competition is "Story in a Jar"

During Book Week children are invited to think about how a favourite book could be represented in a jar. It can be a book of your choice but please ensure that it meets school approval.

Any clear jar (coffee jar, jam jar) - start collecting now!

Carefully put chosen items into the jar that represents and provides clues about the book. Selected quotes from the book or ideas about the characters or setting can also be included.
