

Celebrating Outstanding VCE Success

Congratulations to Zara Lindsay and Alanah Strange on their exceptional achievement at the Premier's VCE Awards.

Both students earned a perfect study score of 50 in VET Business and were recognised at this prestigious celebration of Victoria's highest-achieving VCE students.

This remarkable accomplishment is a testament to their hard work, commitment, and determination. A very special thank you also goes to Jim Graham, whose outstanding teaching, encouragement and unwavering support played such an important role in helping the girls reach this milestone. Jim's passion for his students and commitment to excellence continue to make a lasting difference, and this achievement is a wonderful reflection of the impact he has in the classroom.

Congratulations once again to Zara, Alanah and Jim on this wonderful achievement. Your success is an inspiration to our entire school community.
