

Dear Parents, Students and Staff,

I hope everyone enjoyed a restful and refreshing term break. It has been wonderful to see our campuses come to life again as students and staff return for what promises to be another exciting and productive term. I would like to congratulate everyone on such a positive start and thank our school communities for the enthusiasm and commitment already being shown across Victoria and Tasmania.

Celebrating Our Principals

Today 31st July 2026 we celebrate Principal Day, providing an opportunity to recognise the outstanding leadership of our Principals across the region.

I would like to sincerely thank each of our principals for their dedication, care and commitment to creating positive learning environments where students can thrive. Their leadership plays a significant role in the success of our campuses and the wellbeing of our school communities.

I would also like to acknowledge the many staff and Student Leadership Teams who have made the day special for their principals. These acts of appreciation reflect the strong culture of respect and support that exists throughout OneSchool Global.

Thank You for Supporting Parent Teacher Interviews

A heartfelt thank you to all parents, students and staff who participated in our recent Parent Teacher Interviews.

These conversations are an important opportunity to celebrate achievements, discuss progress and establish goals for the remainder of the year. The partnership between families and our campuses is a vital part of student success, and I appreciate the time and effort everyone invested in these valuable discussions.

As we move into the second half of the year, I encourage all students to reflect on the feedback received and continue working towards their personal and academic goals.

Supporting Our Year 12 Students

Term 3 marks the beginning of the final full term of schooling for our Year 12 students.

This is an exciting and significant milestone as students prepare for their final examinations and future pathways. While the months ahead will undoubtedly be busy, they also provide opportunities for growth, achievement and reflection.

To all Year 12 students across the region, I wish you every success as you commence this important stage of your educational journey. Your teachers, families and campus communities are all behind you and are committed to supporting you throughout the remainder of the year.

We are also looking forward to the upcoming Year 12 Motivational Day in Melbourne on 25 August. This promises to be a fantastic event, providing students with encouragement, inspiration and practical strategies as they prepare for the final stretch of their secondary education.

Welcoming New Leadership

I am pleased to share that James Mason will commence as the new Campus Principal of Nathalia Campus on 10 August.

We look forward to welcoming James to the Victoria and Tasmania region and wish him every success as he begins his leadership journey with the Nathalia community.

I would also like to thank Chris Sanders, Campus Principal of Bendigo Campus, for his leadership and support of Nathalia during the transition period.

In Tasmania, I would like to acknowledge Jeremy Dunham for his continued support in overseeing both Launceston and Hobart Campuses following the departure of Therese Turner Jones. His commitment and leadership have been greatly appreciated.

I would also like to thank Therese for her contribution to OneSchool Global and wish her all the very best for the future.

Next week I will be meeting with our Regional Heads of Department in Sydney as we continue planning and collaborating to ensure our campuses receive the best possible support for student learning and wellbeing.

Throughout the term, I look forward to visiting campuses across Victoria and Tasmania, connecting with students, staff and families, and celebrating the many successes taking place throughout our region.

Thank you for your ongoing support of OneSchool Global. Together, we continue to provide an environment where students are challenged, supported and encouraged to achieve their very best.
